## **SUBJECT: Official letter for visiting our booth [231/Hall no. 7](#) at EV India Expo 2023**

Greetings from **SECO** SEOJIN AUTOMOTIVE

EV INDIA EXPO 2023 (Electric Motor Vehicle Show) is scheduled on 14<sup>th</sup> September, 2023 to 16<sup>th</sup> September, 2023 at India expo center & mart, Greater Noida (India) and we will be there at booth no. [231/Hall no. 7](#).

In EV India Expo 2023, we will display our main components of powertrain for electric vehicles (EV) and hybrid electric vehicle (HEV) which we have developed in order to solve the issue that automotive world is currently facing due to the lack of product availability of environment friendly components. **SECO** SEOJIN AUTOMOTIVE is a leading automotive component manufacturers of South Korea. We are a leader in designing, developing and manufacturing high quality powertrain (transmission) systems such as Reducer, Reduction Gear Box, Rotor Shaft and Rotor Assembly etc. under the **SECO** brand for Electric and hybrid vehicles. We are excited to introduce EV/HEV products under **SECO** brand for the first time in India.

It would be an honor to invite you to our booth (No. 231). A detailed introduction to all of the products will be provided. We will be there with our dedicated team of R&D engineer and Sales so it would be a great platform to have a close look at our EV/HEV products and also meet our exhibition team to get answers of your questions about products and for potential business collaboration.

We are also opening up the calendar from today so that we can schedule an appointment for meeting in advance at your suitable time. Please check your availability and let us know.

We hope to see you there!

Thanking you

  
**MANN YOUN KO**  
President
